- a. LGBL teams are allowed unlimited fielding substitutions, providing the above rule is followed.

PENALTY: Failure to ensure this, the manager shall be suspended for one game. In the event that this occurs in a tournament or championship game, the offending team shall forfeit their victory.

3.2.3 - ... The LGBL has a zero-tolerance policy for any type of bullying or harassment from players, managers, coaches, spectators, or any other person present at a LGBL game. We encourage every parent to sit down with their children and discuss with them how to choose kind words, how to follow expectations in other settings, and how to be respectful to others and to themselves. Bullying can come in many forms and can be very harmful to both the target and the bully. Please talk with your children about the different ways bullying can happen and what to do if they see it. We encourage you to talk with your children on what is appropriate and what is not when they are with their teams. It is the responsibility of all of us (parents, children, coaches, managers, and community members) to teach our

children the importance of being kind and considerate to others. These are life skills which are greatly needed by all in our society.

PENALTY: on first offense, the player, manager, coach, or any other person present, shall be ejected from the current game, if in progress, and will receive a one game suspension. Any second offense will be a removal from the league.

3.2.4 - The LGBL has the following attendance policy: It is very important that you as parents make certain that your children attend practices and games. Improvement for your children at playing baseball is dependent on regular attendance at these events. Team improvement is dependent on this as well. It is discouraging to players, coaches, and managers when a team's full roster is not present for practices and games; more importantly it hurts your children as well. We understand that events and circumstances can happen that result in the need for a player not being able to attend practices and games; however, it is important that you contact your children's team manager to let them know that your child will not be there. Not doing so will result in an unexcused absence.

PENALTY: In response to excessive absences without notice or reasonable excuse, the manager **MUST** notify the Division President. The Division President may restrict play in a subsequent game to a minimum of one inning in the field and/or reduce the number of at-bats to one. If approved, the manager will report this to the scorekeeper before the start of the game.

Further issues may warrant removal from the team by board approval.

3.2.5 - Any player, coach, manager, or other team assistant that is ejected from a game, they will be required to attend a following subsequent game and sit out without participating in the game or player communication before being allowed to resume duties.

LGBL Rule 4: Official Record Keeping, Scoring

Section 1: Scoring

4.1.1 – The Scorekeeper's book will be the **OFFICIAL RECORD** of a game

- Any challenge of the score **MUST** be done **RESPECTFULLY** prior to the start of the opposing team's at bat.
 - Any discrepancies should be resolved **QUICKLY** prior to the next half inning.
 - This will be done "ON THE CLOCK" for the game time limit
 - The Umpire will determine if the issue is taking too long to resolve
- Once the other team's at bat starts, the score can no longer be contested
